

Wellenbrecher

Woman size: S/M

You can change the number of stitches, so that the sock fits you. The number of stitches at the cuff must be divisible by 7.

You'll need:

100 grams of your favourite sock yarn (approx. 420 m)
2,5 mm circular needles or double pointed needles

Gauge:

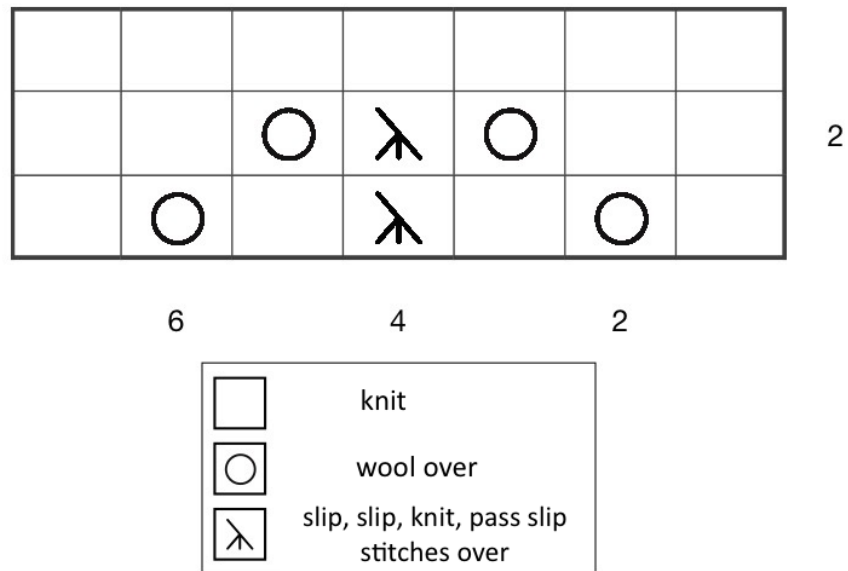

42 rows x 30 stitches = 10 x 10 cm in stockinette stitch

The instructions are written for 60 stitches. The instructions for 64 stitches are shown in brackets if they differ.

Pattern:

Cast on 70 stitches and join to round.

Knit one round, then start with the chart (repeat around). Repeat the chart 8 times (24 rounds).

Purl one round for cuff fold line.

Bring the yarn to the front between the needles 4 and 1. Slip the first stitch of the next round as if to purl, wrap this stitch by bringing the yarn back between your needles and put the slipped stitch back onto needle 1.
Turn the cuff inside out.

Begin with the ribbing: * knit 2, purl 2 * repeat around = 18 rounds. In the first round: decrease 10 (6) stitches, 60 (64) remaining.

Knit 30 round after you've finished the ribbing.

Knit your favourite heel.

Knit the foot in stockinette stitch, until you have reached the foot length you desire. Then knit your favourite toe.
